

DORNOCH STATION  
DORNOCH

Reconfiguration of  
89 bedrooms

Refurbishment of all  
public spaces

New back of house  
facilities and servicing

CLIENT

AJ Capital /  
Marine & Lawn

Comprehensive refurbishment of Dornoch Station Hotel, for luxury operator, Marine & Lawn.

A full refurbishment of all public areas – including bar, restaurant, snooker room and reception areas – and reconfiguration of existing guest rooms to create 89 bedrooms, including a selection of suites.

The client's interior design scheme was implemented by CDA as part of the refurbishment works, to align the hotel with Marine & Lawn's portfolio of hotels across Scotland and Northern Ireland, including Rusacks, St Andrews and Slieve Donard. The interiors have received bespoke fittings throughout with a high-quality finish in keeping with the standard required for a 5-star hotel.
