

Bangholm Terrace, Edinburgh
Completed 2009

Client
CALA Homes

The Pavilion is an exclusive apartment building located beside George Heriot's Goldenacre playing fields with open views across the historic Edinburgh skyline and towards the Forth Estuary. The building is prominent when viewed from the New Town and the Planning Department insisted on a high quality design. The apartments have large areas of glazing to take full advantage of the open aspects along with recessed balconies. The penthouse is fully glazed to the south and east.
