development Two Grade A five storey  
office buildings

CLIENT  
Unicorn Property Group

This 100,000sqft development for Unicorn Property Group involved the design and implementation of two Grade A five storey office buildings. Located on the South West corner of the City Quay area of Dundee, the new development stands at one of the most important gateways to the city adjacent to the Tay Bridge.

CDA's commission was extended to handle the specialised fit out of the Northern block for the Scottish Police Services Authority as the new forensic science laboratory for the region.
